

CLALLAM COUNTY AMATEUR RADIO CLUB

QTC
DECEMBER 15

Merry Christmas and Holiday Greetings!

Our season of merriment has already begun for some, however this is the time of year when we expect happiness and joy of visiting family members and trips to see and be with relatives.

At our December meeting we will be electing a slate of officers for the 2016 year.

Here is the list of nominees:

For President: Mike Rice KF7VZZ
For Vice Pres: Bill Todd N7MFB
For Secretary: Chuck Jones N7BV
For Treasurer:
Board Member: Herm Halbach KG7WMZ

The death of Ernie, W7EWG leaves a gapping hole. We need someone, who has some expertise to step up to run for Treasurer.

At last months Board meeting it was approved to donate \$100 to the Willis Island Dxpediton. The reason for this was two hams from the Seattle area were members of the DX-team going. See: <http://vk9wa.com/willis> and if you want to see their hang out for two weeks <https://www.youtube.com/watch?v=iBuKxCkfTnQ&hd=1>

Congratulations to Paula K7PAX who worked them on RTTY.

Coming up in January 2016 is a Dxpediton to South Sandwich Is. <http://www.intrepid-dx.com/vp8/> I will bring a video of the 2002 expedition to watch at the December meeting if boredom sets in after the elections.

So hopefully while this is/was being written on Sunday 12/6/15 we reach the targeted of 20 persons for the Christmas Social Dinner on 12//12/15 at 1700 and we will see you there.

Merry Christmas.

We need articles for the QTC newsletter. This is your newsletter.

Tell us how you became interested in Ham Radio. What did you do over the summer (just like school) huh!

Did you put up a new antenna, buy a new radio? Tell us about it.

Did you try a new mode again tell us about it.

The more you submit the less blank space we will have!

Thanks, the staff!

CCARC QTC Newsletter

Just a little background on the QTC.

We use ccarcqtq@yahoo.com as a repository for information for the newsletter. So if you have something for the QTC, please send it to the yahoo address. Do not sent it to one of the editors as they will just have to turn around and resend it to the yahoo address.

Please make sure the article or information is complete. As we rotate editing the newsletter you cannot be sure which editor will be piecing the newsletter together.

Please remove as much formatting from within whatever program you are using if you know how, before sending it to ccarcqtq. We do not edit, except to change fonts to a standard non-serf font (Arial which is easier to read than Times Roman). We will run a spell checker.

When first conceived the editors were given free license, it still is that way. It was understood they would endeavor to include everything submitted, within reason. For instance, off color jokes etc. are not going to be printed. Thanks,

Have an idea for a club program? Pass them along to the members of the program committee: Paula K7PAX, Rob AL7KK, or Chuck Jones.

Thanks.

W7RJW “Net” Working

Some local nets to listen in on/participate in. This is one good way to learn how we communicate on the airwaves as amateur (ham) radio operators. I spent a year just listening to a couple of these nets and how experienced operators talk to each other, before I even tried for my Technician license. It REAL- LY helped me a lot. I strongly recommend doing this on a regular basis. Enjoy!

Sunday:

LDS (Latter Day Saints) Emergency Net (you don't have to be a member to participate) 6pm on 146.760

Monday:

Elwha Emergency Net 5:30 pm On 146.760
 WARA (West Coast Amateur Radio Association) Club Net (Victoria, BC Canada) at 7pm on 146.840

Tuesday:

ARES (Amateur Radio Emergency Services) Net 7pm on 146.760 (except for the first Tuesday of the month, when ARES meets at the Clallam County Courthouse)

Wednesday:
